SIX-MONTH MARKETING PLAN

Getting Ileero GO From Launch to Booked Out

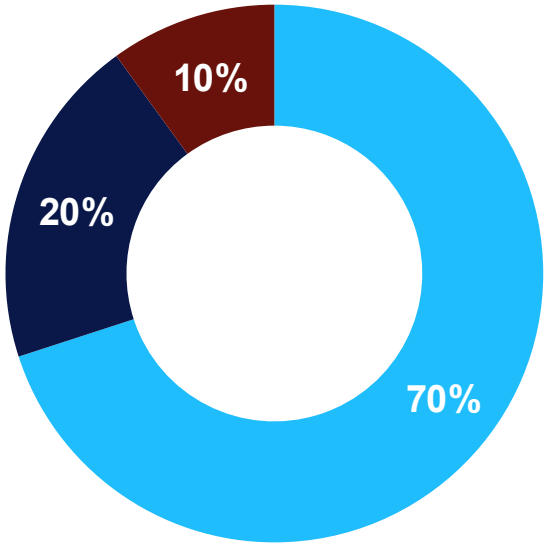

September 2026 – February 2027

Redefining Reliable Transportation in Lagos, Nigeria.

Marketing Objectives

Quarter 1 · September – November

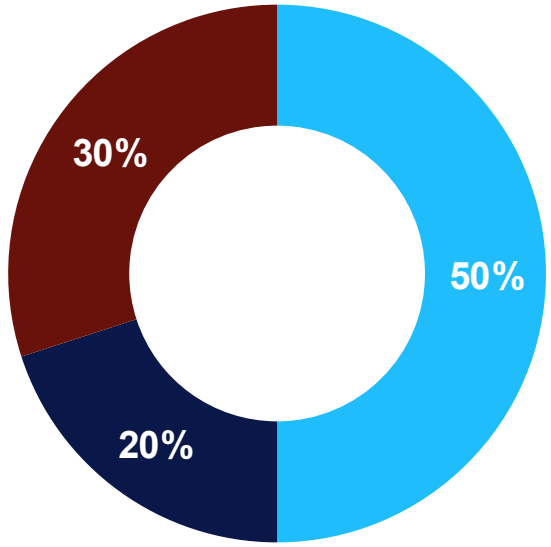

Make Ileero GO familiar and credible among diaspora travellers, business travellers, event visitors and Lagos residents.

70% Awareness, 20% Consideration, 10% Conversion

Quarter 2 · December – February

Use peak travel demand, retargeting and proof of service to increase booking intent and completed trips.

50% Awareness, 20% Consideration, 30% Conversion

Awareness Consideration Conversion

Strategy Per Quarter

Q1 · SEP–NOV · Build Trust, Credibility and Reach

- **Content Marketing Using Customer Pain Points**
- **Waitlist & Launch offer: 20% off first ride**
- **Influencer Marketing**
  1 macro + 2 micro-influencers
- **Digital display advertising (BellaNaija & Nairaland)**
- **Paid Media**
  Meta ads and Google Ads

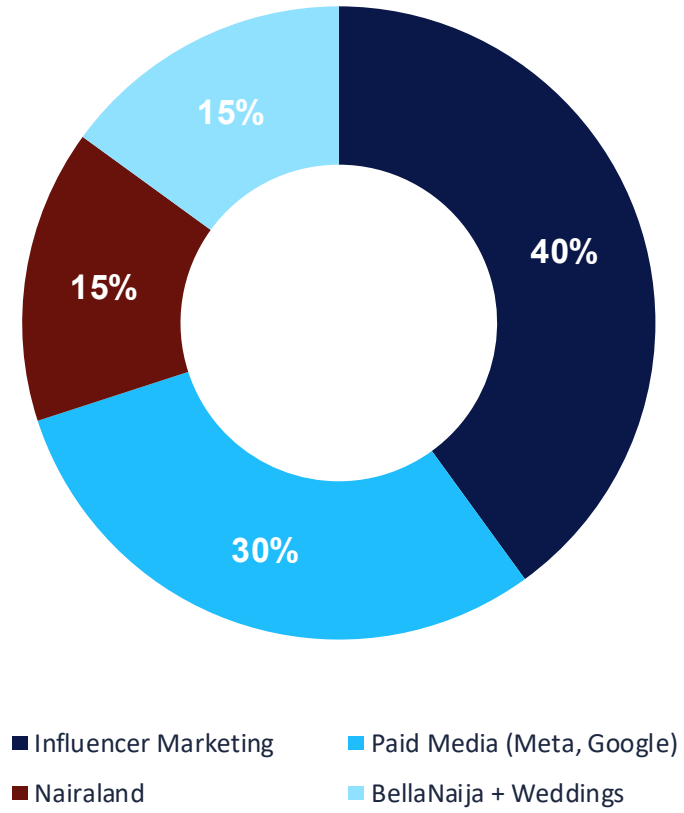

Q2 · DEC–FEB · Turn Traffic Into Bookings

- **Retargeting Ads: Meta & Google**
  Retarget Every Q1 site visitor to the social media pages and the website
- **Influencer Marketing**
  1 macro + 2 micro-influencers
- **Festive family bundle offer**
  Discounted Daily Packages for extended family visits home.
- **Refer-a-rider campaign**
  Existing bookers earn a discount for referring family flying in.
- **Diaspora WhatsApp & FB, Twitter groups**
  Collaborate with admins of these groups to push Ileero Go to their members.
- **Live social proof push**
  Rider testimonials on website and paid social to close hesitant browsers.
- **Digital display Advertising (BellaNaija & Nairaland)**
- **Content Marketing**
  Storytelling, lifestyle video contents by creators and email marketing.

Quarterly budget allocation

₦10 million per quarter

₦20 million total for September–February

Strategy	Per Quarter (₦)	% of Budget
Influencer Marketing (1 macro + 2 micro)	4,000,000	40%
Paid Media (Meta, Google)	3,000,000	30%
Nairaland	1,500,000	15%
BellaNaija site + BellaNaija Weddings	1,500,000	15%
Content Marketing	0	0%
Email Marketing	0	0%
Total	**10,000,000**	**100%**

The budget allocation will be adjusted monthly based on which strategies generate the highest-quality leads.

Estimated results by February 2027

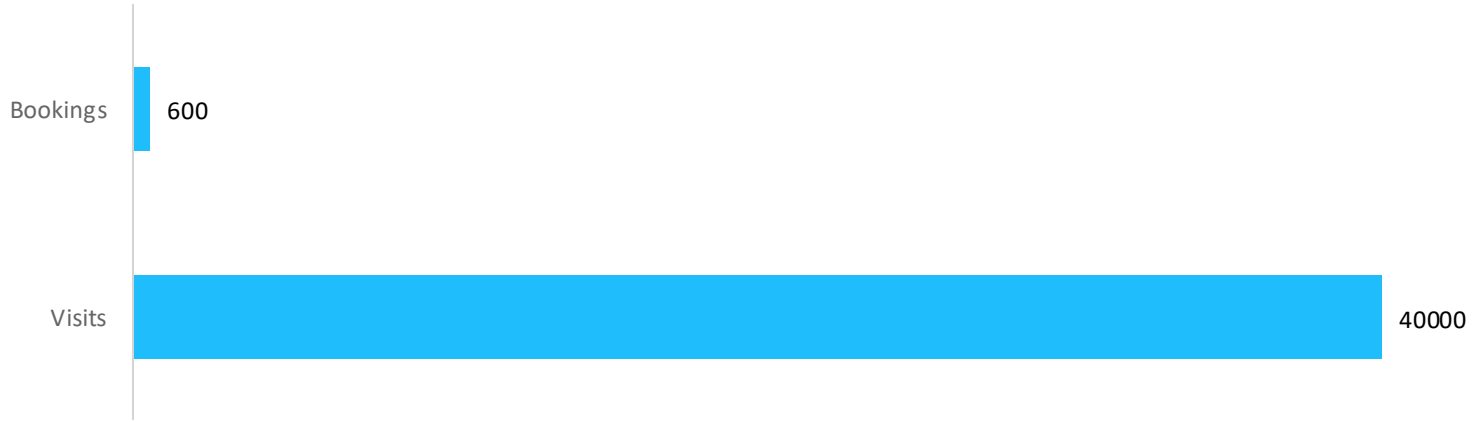

Base-case projection

5,000
Followers, all channels

40,000
Website visits

600
Completed Bookings
Assumes a 1.5% visit-to-booking rate

₦27M
600 bookings at a minimum ₦45,000 each

Commercial check

Marketing cost per booking

₦33,333

Minimum revenue ÷ total budget

1.35×

Planning assumption: 40,000 visits × 1.5% conversion = 600 bookings. 600 × ₦45,000 minimum trip value = ₦27,000,000.

Let's get Ileero GO booked out.
